

Pension comparison tool: compare two pension schemes

WHY COMPARE YOUR PENSION SCHEME?

Pension schemes vary. With this comparator you can compare your **ARP/ASP plan** from Mars Pension Fund with another pension plan. See the differences and what they mean for you. Perhaps you need to arrange an additional pension yourself? Understanding the differences is also one of the steps when considering a value transfer: should you take your pension with you to your new pension fund, or not?

COMPARE YOUR PENSION SCHEME IN FIVE STEPS Take layer 1 of Pension 1-2-3 of your current pension scheme, and ask your future employer about layer 1 of the new pension scheme. Enter the information into this pension comparison tool step by step.
